

Workshop SGSEKF21

Presenting of the interim results of the projects solved within the Student Grant Competition (SGS) at the Faculty of Economics in 2021

September 24, 2021, from 9.00 a.m.

Faculty of Economics, Lecture hall A325

We invite all who are interested, especially the PhD students, Master degree students and as well as academic staff of the Faculty of Economics.

An opportunity to get acquainted with the projects to be solved, the methods of solution, the ways of presenting the results and with the ways of evaluating the outputs. An opportunity for all who want to participate in these projects in the future.
